TO: Jeff Vidakovich, Village of Cold Spring Clerk
CC: Mayor Foley, Deputy Mayor Woods, Trustee Fadde & Trustee Starbuck

Dear Colleagues,

Some may be aware, the past three weeks have been particularly trying, as I'm dealing with a significant health issue which has made my presence in the Village almost non-existent. Compound that with two months of prior unrelated health problems and my almost entire board service to date has been a bit unsettled. If you subscribe to the theory "listen to your body" then mine is sending an e-mail in all caps saying, "It's time Curto!".

When I was asked by Kathleen to fill her vacant seat, I raised my hand to help and told her I'd give it 110% until I couldn't. With that said, it's becoming difficult to perform my duties at the level you and I can and should expect. With a heavy heart I submit my letter of resignation.

In no way or form does this represent any concerns with the current Board or our staff. Frankly, just the opposite. I've come to truly appreciate the Village's staff. They're engaged, understand the culture of our Village, and have "heart." As a business owner those are the characteristics we all strive for in our staff. Regarding my fellow board members, they're smart and highly engaged. Each comes at problem-solving in different ways. It takes time to gel and it will. They're good public servants and more importantly, good people. Being Mayor of this Village is not an easy task. Kathleen has done a great job in a short period of time and with multiple obstacles along the way. She has a vision and I'm confident she'll get us all there with your help.

Lastly, it's going to be important that everyone stays focused if this Village is going to prosper. We need to concentrate more on the dams and less on bathrooms, more on the budget as a whole and less on small line items. As well, with the huge impact of the Fjord Trail coming, everyone needs to bring their A-game to those discussions. None of this is easy, it never is.

The timing of this allows the person who fills my space to have an opportunity to grow and if re-elected in November to be part of a long-term solution 2+ years out.

Respectively & with a heavy heart,

Joe Curto
