<b>Proposal one, an amendment</b> <b>Propuesta número uno, una enmienda</b>
Amendment to Protect Against Unequal Treatment  This proposal would protect against unequal treatment based on ethnicity, national origin, age, disability, and sex, including sexual orientation, gender identity and pregnancy. It also protects against unequal treatment based on reproductive healthcare and autonomy.  A "Yes" vote puts these protections in the New York State Constitution.  A "No" vote leaves these protections out of the State Constitution.  Enmienda para Proteger Contra el Trato Desigual  Esta propuesta protegería contra el trato desigual basado en la etnicidad, el origen nacional, la edad, la discapacidad y el sexo, incluida la orientación sexual, la identidad de género y el embarazo. También protege contra el trato desigual basado en la salud y la autonomía reproductiva.  Un voto "Sí" coloca estas protecciones en la Constitución del Estado de Nueva York.  Un voto "No" deja estas protecciones fuera de la Constitución del Estado.  <p style="text-align: center;">Yes/Sí      No/No</p> <p style="text-align: center;"><input type="radio"/>      <input type="radio"/></p>
