OVERVIEW

To ensure fair and honest elections, New York State law provides for appointing poll watchers to observe voting at the polls. Poll watchers are designated by candidates, political parties, independent organizations which have candidates on the ballot and/or political committees.

The role of the poll watcher is to observe elections at the polling sites on behalf of the particular candidate, political party or organization and where they observe irregularities, report these observations to either the Elections Inspector and/or the Board of Elections.

POLL WATCHER QUALIFICATIONS

Watchers shall be appointed by the chairman or secretary of the political party or independent body.

At a Primary Election any two or more candidates may designate Poll Watchers.

Each watcher must be a qualified voter in Putnam County to serve.

Watcher certificates must be delivered to an inspector at the election district.

Not more than three watchers for any party committee or independent body or candidates whose names appear on the ballot may be appointed to serve at the same election district.
